Coal to Gas MOU with China Petroleum Pipeline Bureau

Key Points:

- Tian Poh Resources Limited (ASX: TPO) and its 100% owned Singapore subsidiary, Poh Golden Ger Resources Pte Ltd, have signed a Memorandum of Understanding (MOU) with China Petroleum Pipeline Bureau (CPP), a company registered in the People's Republic of China, to jointly study a proposal to build a coal to natural gas plant in Mongolia, with a capacity of 1.3 billion – 8 billion m³ per year. The proposal also includes the construction of a gas pipeline from the plant to Ulanbaatar and China.
- The plant is to be built at or near the recently acquired Nuurst Project and will be fed by coal extracted from this project. The Nuurst Project has a JORC (2004) Reportable Coal Resource of 478.3 million tonnes (please refer to the announcement of 10 August 2015).
- The implementation of this project will be subject to a definitive agreement, and shareholder and other regulatory approvals where applicable.
